RAFFLES

The College wishes to make clear that it does not in anyway accept responsibility for the conduct of raffles which are or may be held on its campuses, nor does it endorse them. The responsibility for such undertakings lies entirely with the organizer or organizers.

This statement is not to be considered a slight against those persons who have worked very hard to organize raffles which have, in fact, wholly or partially financed many worthy causes and events.

It is intended only to clarify the College's legal position.
